PROFILE

BCA student with 15+ months of hands-on experience in managing WordPress-based e-commerce websites. Strong in practical implementation of SEO, product lifecycle management, order processing, and web administration. Looking for a technical opportunity to apply and grow my skills in a fast-paced, team-driven environment.

WORK EXPERIENCE

- **Gopal Dhara Tea Pvt. Ltd. - Website Manager**
  gopaldharaindia.com [Nov 2024 - Feb 2026]

  - Managing two WordPress e-commerce websites: gopaldhara.com (international) and gopaldharaindia.com (domestic).
  - Responsible for order processing, shipping backend, international client management, and product listing.
  - Hands-on with SEO, product updates, speed optimization, and plugin/theme configuration.
  - Gained deep understanding of tea product lifecycle, inventory, and B2B/B2C digital sales channels.

PROJECTS
